Dear Parent or Guardian,

The start of the new school year is a perfect time for your child to join Rocksteady. You can give them the opportunity of joining their own rock band, and getting a hands-on experience of playing drums, guitar, keyboard or vocals by calling today to reserve your place, subject to availability in your child's school & year group

By joining Rocksteady, your child gets the opportunity to build their confidence, learn an instrument and increase their overall enjoyment of school, which can have a positive effect on their other subjects. Rocksteady is easy and convenient; lessons take place within school hours and all instruments are provided.

How it works:

- Your child can choose their role in their band by becoming a drummer, a lead vocalist, a guitarist or a keyboard player.
- They rehearse with their peers in weekly sessions led by a dedicated Rocksteady Band Leader, learning to play songs they love which inspires them to learn and achieve together.
- At the end of every term we give your child the chance to shine with a concert organised by Rocksteady, giving you an opportunity to see how much your child's confidence has grown as they rock out in front of the whole school!

Rocksteady is an independent music service, providing opportunities to schools and pupils within England. Our sessions are available to everyone from Foundation Year to Year 6. Whether your child has never played an instrument before or is already learning, Rocksteady can provide an exciting, interactive and rewarding experience every week for a fixed monthly subscription of £31.25

There is no minimum sign up period, giving you the freedom to stay with Rocksteady for as long as it suits you, and we even offer a money back guarantee for the first month.

If you would like to give your child this unique opportunity or would simply like to find out more about Rocksteady and what we offer please do not hesitate to contact us on 0845 094 1259.
